COMMUNITY NEWS

Sarah Anderson and Zachary Hibberd~

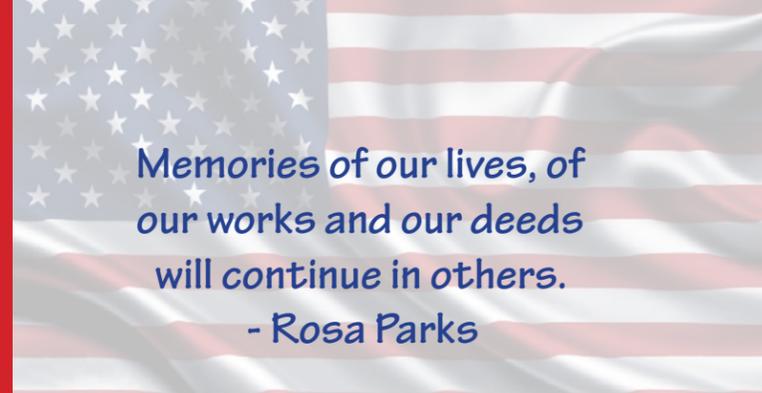

"Zachary and I have been enjoying all the activities and amenities River Road Recreation has to offer since we moved to the area in 2018. From swimming, picnics, holiday themed activities, the amazing pre k program, just playing on the awesome playground equipment at Emerald Park. To my surprise, they even have overnight trips to my home area, in Pennsylvania! The staff and neighbors we encounter there, make the moments even more special and inviting. We always look forward to our trips to River Road Recreation as we know, we will have a great time and look forward to spending our time there, creating more fantastic family memories.

"All great change in America begins at the dinner table."

STAFF SPOTLIGHT

Hello! My name is Abriannah Martindale. I'll be here this summer so say hi if you see me! I have been working with all ages of children for over ten years in many different capacities. I recently graduated from Southern Oregon University with my Bachelor's Degree in Early Childhood Education. I love the joy and excitement that young children have for life. They are so full of curiosity and see the wonder in the world. Being in the classroom is my happy place! My favorite things to do outside of teaching are baking, anything that involves art supplies, spending time with my loved ones, and enjoying the beautiful outdoors. I am so excited to join the team here!
